Is your pet on flea/tick control?

\_\_\_\_ NO

\_\_\_\_ YES

What kind? (circle one)    Revolution            Frontline            Advantage            Advantix            Sentinel

## Diabetic and/or Epileptic Pets

Is your pet diabetic or epileptic?

\_\_\_\_ NO

\_\_\_\_ YES - Please see the note below.

These pets require special care and are at a higher risk for complications while boarding. Before leaving your diabetic and/or epileptic pet, a technician will discuss your pet's needs.

## BATH

Do you request your dog(s) to be bathed?

\_\_\_\_ NO – Your pet will be ready for discharge after 9am on the day of scheduled departure.

\_\_\_\_ YES – Your pet will be ready for discharge after 2pm (after 11 am on Saturdays Pick-up) the day of scheduled departure.

**\* We do not bathe cats unless pre-approved by a doctor.**

**\* Prices for baths are determined by the length and thickness of coat as well as the pet's weight.**

## Grooming

**\*Very thick hair coat or dematting will be an additional cost; we will try to call before we apply additional charges to bill.**

**\*Mini grooms will be more then regular bath, please make sure to arrange with receptionist when leaving pet with us.**
